

## Designed for larger families

### Multifunctional :

**Slices, Grates, Chops, Whisks, Blends, Kneads**

With the largest capacity in the food processor range, the 5200 can knead up to 2 loaves (1.2kg) in one go and grate up to 1.4kg of vegetables in the main bowl.

## CS 5200 MULTIFUNCTION FOOD PRO

## 3 bowls in 1

**Main bowl 3.6l** : for all food preparation

**Midi bowl 2.6l** : for slicing and grating

**Mini bowl 1.2l** : for processing smaller amounts

Individual bowls allow you to effortlessly carry out several tasks in quick succession.

## Built better to last longer

All food processors are **made in France** and have an energy saving, powerful, **ultra-quiet professional motor** with an **unbeatable 30 year guarantee** and **3 year parts guarantee**.

## Easy to use

All it takes are three buttons (stop/auto/pulse) and the Magimix motor automatically adjusts the power depending on what's in the bowls.

Made from Sabatier stainless steel in Thiers, the blade accessories assure you get the perfect cut.

All accessories can be stored securely in the accessory box provided a simple, compact and safe storage solution.

## Recipe book and app

Over 100 inspirational recipes in the book to enjoy and a growing selection on the Magimix website and free Magimix app.
