# Clyde Electric Kettle

Simplicity never looked so stunning.

An iconic stovetop design, made electric for effortless everyday use. Clyde Electric Kettle is at your service for tea, coffee, cocoa, ramen, and all your other hot water needs. With a 1.5 liter capacity, intuitive LED switch, seamless stainless steel body, and a stunning sturdy handle, your daily driver is now a countertop centerpiece.

**Seamless simplicity**

Just push the intuitive LED on/off switch and Clyde heats your water to boiling.

**All-purpose use**

With 2200 watts of heating power, Clyde boils 1.5 L for all your daily hot water needs.

**Easy-pour handle**

The silicone overmolded handle is designed for easy one-handed pouring, even when filled to the max.

**Mess-Free Mornings**

Clyde has clearly marked fill lines and the power cord wraps around the base for an uncluttered counter.

MSRP: \$125 USD
